Dear Premier Ford:

**Re: Summary and Implications of Provincial Bill 109: More Homes for Everyone Act, 2022**

For your information and records, at its electronic meeting held on June 7, 2022 the Council of the Town of East Gwillimbury enacted as follows:

*WHEREAS the Town of East Gwillimbury is Canada's fastest growing municipality (with more than 5,000 residents) according to 2021 Census Canada data; and*

*WHEREAS the Council of the Town of East Gwillimbury has significant concerns regarding the impact of Bill 109 on the community planning process, and the ability of municipalities to deliver on initiatives to address housing supply and attainability, and*

*WHEREAS the refund provisions in Bill 109 will result in existing taxpayers subsidizing development applications as well as lost revenue and increased staff costs for municipalities; and*

*WHEREAS the prescription of what constitutes a complete application does not address differing levels of complexities and the unique circumstances and diverse landforms that exist across the province, nor does it recognize the collaborative process and relationships between parties that deliver results for municipalities; and*

*WHEREAS limiting conditions on Draft Plan of Subdivision does not address the unusual and often challenging circumstances best understood by local municipal staff and elected officials;*

*BE IT THEREFORE RESOLVED THAT the Council of the Town of East Gwillimbury requests that Government of Ontario revisit the provisions of Bill 109 and work with all stakeholders, including municipalities represented by the Association of Municipalities of Ontario to deliver legislation that allows municipalities to plan, grow and deliver communities that adhere to local, provincially-approved Official Plans, rather than strict statutory timelines; and*

*THAT a copy of this Motion be sent to the Honourable Doug Ford, Premier of Ontario, MPP Caroline Mulroney, the Minister of Municipal Affairs and Housing, all York Region Mayors and Regional Chairs in Ontario; and*

*THAT a copy of this Motion be sent to the Association of Municipalities of Ontario (AMO) and all Ontario municipalities for their consideration.*

If you have any further questions, feel free to contact the undersigned.

Yours truly,

Tara Lajevardi, Hon.B.A.

Whereas the Ontario Amber Alert is a warning system that quickly alerts the public of a suspected abduction of children who are in imminent danger;

And Whereas the goal is to broadcast as much information about the child, the abductor and suspect vehicles as quickly as possible so that the public can respond with any relevant information that might lead to the child's safe return;

And Whereas people are encouraged to share the Amber Alert with as many people as possible. If a child or vulnerable person is abducted, spreading the information quickly is critical to their safe return;

And Whereas an Amber Alert makes the Public aware to keep an eye out for the child, vulnerable person, suspect and the vehicle described, in the alert. If they spot them, try to gather as many details as they can, including the specific location where they saw them, the time, the direction they were travelling in and any other identifying details that will help to locate them;

And Whereas an Amber Alert gives citizens instructions to call 9-1-1 or the phone number included in the alert immediately if they have a trip or a sighting related to an Amber Alert;

An Amber Alert will only be activated if:

- The police have confirmed that an abduction has taken place; and
- There is reason to believe the victim is in danger of serious physical injury, and there is information available that, if broadcast to the public, could assist in the safe recovery of the victim.

And Whereas it is essential to remember that an Amber Alert is not always appropriate in every circumstance and that their continued effectiveness depends on ensuring that they are only used in cases that meet the above criteria;

And Whereas the recent tragic death of 11 year old Draven Graham showed that the Amber Alert system is flawed when it comes to vulnerable children who can go missing but are not abducted;

And Whereas at the time this motion was written, there have been almost 75,000 citizens who had signed a petition on Change.Org requesting that a Draven Alert be created;

And Whereas it is clear that there needs to be an addition to the alert system to allow for law enforcement to send out an alert for vulnerable children who go missing under circumstances that do not involve an abduction but are at serious risk of injury or death;

Therefore be it resolved that the Municipality of Brighton and its Council endorse the following:

1. That the Minister of the Solicitor General and the Commissioner of the Ontario Provincial Police, as well as the Premier's Office, be requested to make the necessary changes to the Amber Alert system and create a new alert called the Draven Alert, which will protect vulnerable children who have not been abducted but are at high risk of danger, injury or death and alert the public that they are missing.
2. That this motion be sent to all municipalities across Ontario and the Association of the Municipalities of Ontario (AMO) for endorsement.

Ministry of Agriculture, Food and Rural Affairs

Guelph, ON N1G 4Y2

Dear Minister:

Re: Ontario Wildlife Damage Compensation Program

We are writing to you today on behalf of our municipality regarding the administration fees related to wildlife damage claims. This program is necessary to protect our farm producers from the devastating losses incurred when they lose livestock to predators.

At the June 28, 2022 Regular Council Meeting the attached Resolution was passed by Council.

Our Council's concern is the administration fee paid to municipalities to administer the program on the Ministry's behalf which was recently increased from \$30.00 per claim to \$50.00 per claim.

We have recently contracted for a new Livestock Investigator resulting in the following costs directly related to wildlife claims:

Hourly Rate: \$25.00/hour  
Mileage Rate: .50/km

On the most recent invoice for this service there were three wildlife claims with costs as follows:

1. April 28, 2022 – 3 hours + mileage = \$95.00
2. May 5, 2022 – 2.5 hours + mileage = \$75.00
3. May 8, 2022 – 3.5 hours + mileage = \$120.00

There is also time spent by municipal staff in preparing the wildlife claims for submission and monitoring the claims for payment to the livestock owner.

This results in a loss on each wildlife claim for our taxpayers to bear to be able to provide this necessary service to our farm producers.

Ministry of Agriculture, Food and Rural Affairs

We respectfully request that the Ministry consider increasing the administration fee on wildlife claims to help offset the increasing costs associated with Livestock Investigation.

We look forward to hearing from you about this matter at your earliest convenience.

WHEREAS the Ontario Ministry of Agriculture, Food and Rural Affairs administers the Ontario Wildlife Damage Compensation Program to provide compensation to farm producers for livestock killed by wildlife;  
AND WHEREAS Ontario Municipalities administer the Program on behalf of OMAFRA by appointing a Livestock Investigator and staff to work on wildlife damage claims;  
AND WHEREAS the costs associated with wildlife damage claims typically exceed the administration fee of \$50.00 per claim as provided to the Municipality by OMAFRA;  
NOW THEREFORE BE IT RESOLVED THAT the Council of the Municipality of Tweed request the Ministry of Agriculture, Food and Rural Affairs to review the administration fee provided to Municipalities for the administration of the Ontario Wildlife Damage Compensation Program:  
AND FURTHER, that this Resolution be circulated to the Association of Municipalities of Ontario (AMO) and all Ontario Municipalities for their consideration and support.

## **MEDIA RELEASE**

### **FONOM concerned with criminal justice system's practice of "catch and release" in Northern Communities**

The Federation of Northern Ontario Municipalities (FONOM) is creating a Northern Working Group to focus on the issue of catch and release justice and will be bringing its concerns about the negative impact of the practice to the province during the upcoming Association of Municipalities of Ontario Annual General Meeting and Conference in August.

The measures come after the FONOM Board met last week in Elk Lake for the first time since its Annual Conference, Northern Leaders Debate, and the Provincial Election to discuss outcomes and its approach for next month's multi-minister delegation during the AMO conference.

The meeting included a presentation from Sault Ste. Marie's Police Chief Hugh Stevenson on the current catch-and-release procedures.

"Several member municipalities have sent Resolutions to FONOM on the issue of catch and release," said FONOM President Danny Whalen. "Chief Stevenson shared with the Board the background information and several troubling examples of the practice."

Following the presentation, members shared what they had observed in their respective districts and communities and agreed to create a Northern Working Group to focus on the issue. The Working Group will consist of three FONOM board members, two city police chiefs, an OPP service board member and possibly a former Crown Attorney. The FONOM Board also will use its multi-minister delegation at the AMO conference in August to start working with the province to address the negative impact of catch and release.

Additionally, the Board received an Oxford County speed management presentation highlighting examples of products available to municipalities, as many of FONOM's members share an increasing concern about traffic issues in their communities. Speeding and enforcement is becoming a problem in many neighborhoods and town entrances. FONOM will be monitoring the issue to see how it can support its members moving forward.

Lastly, the Board reviewed and discussed its partnership with the Northwestern Ontario Municipal Association (NOMA) and the Northern Ontario Services Delivery Association (NOSDA). Board members were pleased that the three organizations are working together and look forward to their joint presentation on the issue of homelessness, mental health, and addiction during the AMO conference.
