

**THE TOWNSHIP OF TARBUTT
COUNCIL ADDENDUM
WEDNESDAY, NOVEMBER 22, 2023**

1. STAFF AND COMMITTEE REPORTS

a. 2023 Accessibility Plan

In accordance with Accessibility for Ontarians with Disabilities Act (AODA) standards for municipalities, the Township's Accessibility Plan is required to be approved annually. This version has been updated to include the recommendations made by the consultant for the hall, placement of new, updated accessible parking signage at the hall, the addition of exterior lighting at the Township office for better illumination of the parking lot, and the repair of the concrete at the main entrance of the Office to correct the tripping hazard.

b. 2023 Emergency Plan

The 2023 Emergency Plan has been revised by the new CEMC to be more streamlined. The Plan must be in place prior to the emergency exercise which the Control Group is participating in later this month. Once approved by Council, the Emergency Plan will be posted on the website for public viewing.

c. Appointment to the Agricultural Advisory Committee

The Planning Board is seeking recommendations from each of the four municipalities within the planning area to appoint one community member at large to the Agricultural Advisory Committee. Mayor Smith is the Chair.
