Squash & barley salad with balsamic vinaigrette

A flavour-packed, unusual salad that's delicious warm or cold - works really well as part of a buffet.

Ingredients

1 butternut squash, peeled and cut into long pieces

1 olive oil

250g pearl barley

300g broccoli, cut into medium-size pieces

100g tomato, sliced

1 small red onion, diced

2 pumpkin seeds

capers, rinsed

15 black olives, pitted

20g pack basil, chopped

For the dressing

balsamic vinegar

extra-virgin olive oil

Dijon mustard

1 garlic clove, finely chopped

Method

STEP 1

Heat oven to 200C/fan 180C/gas 6.

Place the squash on a baking tray and toss with olive oil. Roast for 20 mins.

Meanwhile, boil the barley for about 25 mins in salted water until tender, but al dente. While this is happening, whisk the dressing ingredients in a small bowl, then season with salt and pepper. Drain the barley, then tip it into a bowl and pour over the dressing. Mix well and let it cool.

STEP 2

Boil the broccoli in salted water until just tender, then drain and rinse in cold water. Drain and pat dry. Add the broccoli and remaining ingredients to the barley and mix well. This will keep for 3 days in the fridge and is delicious warm or cold.

Estate Planning

A comprehensive estate plan helps you:

- convey your wishes
- protect, preserve and control your assets upon death and/or any period of incapacity
- provides a smooth transition of your wealth & assets to beneficiaries
- avoids or minimizes family disputes
- minimize tax implications (more wealth to your beneficiaries, less to the government!)

What is a POA?	Power of Attorney (POA) - A legal document that allows someone you designate (“the attorney”) the power and authority to act on your behalf Two types: Property & Medical (Personal Care)
Passing with OR Without a Will	Without a Will <ul style="list-style-type: none">• estate could be inherited by people you did not wish to inherit• delays in distribution of estate• significant costs• added stress on your loved ones• wishes have not been communicated in a legally binding manner With a Will <ul style="list-style-type: none">• ensures your estate is administered and distributed according to your wishes• choose your own executors/estate trustees & beneficiaries• ability to name back ups• can name guardians of children• reduce or minimize potential conflicts
Ways to reduce Estate Administration Tax	Estate Administration Tax (EAT) is calculated by determining the value of assets of the estate at the time of death (fair market value). The first \$50,000 is tax exempt and \$15 for every \$1,000 over \$50,000. Joint Property Ownership - real estate property that is held joint with one or more people will automatically flow to the remaining joint tenant(s) and bypass outside of the estate Name Beneficiaries - noting beneficiaries on assets, such as, bank accounts, investments, pensions, RRSPs, TFSA, etc. Gift Assets - Lowers your estate value by gifting what you wish your beneficiaries to receive prior to your passing
