

FOR IMMEDIATE RELEASE

Habitat ReStore accepts donations year-round – offers free pickup services

Habitat for Humanity Sault Ste. Marie and Area is excited that spring is here! The ReStore is accepting donations at the new Cambrian Mall location, as well as offering its free pickup services across the community.

The ReStore is a social enterprise that sells donated new and gently used home improvement items at discounted prices. Donations from the community contribute to the mission of Habitat for Humanity Sault Ste. Marie and Area, making homeownership possible for low-and-moderate income families.

What:

We are seeking donations of gently used furniture, appliances, building materials, home goods, and more to support the development of affordable housing in Sault Ste. Marie. Whether you're downsizing, redecorating, or just spring cleaning, your donations help fund local build projects.

Where:

Donations can be dropped off at ReStore:

44 Great Northern Road, Cambrian Mall
Entrance off Willow Avenue
Tuesday to Saturday
10 am to 4.30 pm

For those who are unable to drop donations off in person, we also offer a convenient **free pickup service**. Simply schedule a pickup by calling 705 941 9646.

When:

Donations are accepted year-round and we encourage the community to contribute as soon as possible to help us meet our waste diversion goals for this spring season.

Why:

Your donations make a difference! The goods donated to ReStore are sold at affordable prices, and the proceeds directly support our local affordable homeownership program. It's an easy way to declutter your home while giving back to your community.

What we accept:

We accept a variety of items, including:

- Furniture (couches, tables, chairs, etc.)
- Appliances (refrigerators, washers, dryers, etc.)
- Building materials (lumber, tools, etc.)

- Home goods (lighting fixtures, cabinets, etc.)
- And, more!

In addition to the ReStore accepting donations, Habitat for Humanity Sault Ste. Marie and Area is also accepting monetary donations. Every contribution is crucial in helping the organization build more homes and assist more families in need. Please visit our website at www.habitatsault.ca for more information.
