Traffic Calming/Speeding Mitigation Techniques

The North Grenville, Merrickville-Wolford Village OPP Detachment Board, at its Meeting on May 7, 2026, passed the following motion with the request for municipal support:

Moved by: Ian Fraser

Seconded by: Jim Goodman

WHEREAS history demonstrates that speeding and public safety concerns are increasing across Ontario;

WHEREAS the Provincial government has shown interest and allocated financial resources to certain municipalities to implement alternative measures to photo radar, reaffirming its ongoing commitment to addressing public safety issues;

WHEREAS this commitment currently applies only to municipalities utilizing photo radar as a deterrent;

AND WHEREAS such funding support would assist municipalities with limited financial resources in protecting their citizens - especially seniors and school-aged children.

NOW THEREFORE BE IT RESOLVED that the Grenville 1 OPP Detachment Board respectfully request North Grenville and Merrickville-Wolford Councils advocate that the province expand its stated interest and financial commitment to include all municipalities in Ontario, adopting a province-wide approach to public safety and thereby ensuring the well-being of all Ontarians;

AND THAT this resolution be sent to the following:

Premier Doug Ford
Minister of Transportation
Minister of Finance
MPP Steve Clark
AMO
ROMA
All Ontario Police Service Boards
And all 444 Municipalities in Ontario
Carried.

**Resolution 2026-03: Ontario Most Outdated Property Reassessment in
Canada: A Call to Return to Property Tax Reassessment Cycle**

Date: May 8, 2026

Moved by: Warden Jennifer Murphy, County of Renfrew
Seconded by: Warden Robert Mullin, County of Hastings

WHEREAS the Eastern Ontario Wardens' Caucus (EOWC) serves over 1.1 million residents across 13 upper-tier and single-tier municipalities, encompassing a total of 103 municipalities in Ontario;

AND WHEREAS municipalities in Ontario are currently required to calculate property taxes based on property valuations from 2016, over a decade ago;

AND WHEREAS all other provinces in Canada have continued regular reassessment cycles, resulting in properties being reassessed multiple times since 2016, making Ontario the most outdated in Canada;

AND WHEREAS the prolonged pause in the reassessment cycle has created significant distortions in assessed values, resulting in inequities among property classes; and

AND WHEREAS outdated assessments negatively impact investment decisions, economic competitiveness, municipal planning, and disproportionately affect independent small businesses; and

AND WHEREAS the continued pause on property tax reassessment in Ontario creates uncertainty for municipalities, property owners, and investors regarding future tax liabilities;

AND WHEREAS a current and predictable assessment system is essential to supporting strong communities, maintaining fairness in taxation, and encouraging economic investment consistent with the Ontario government's objective of being "Open for Business";

AND WHEREAS the lack of clarity regarding the timing of the next reassessment is contributing to delayed or deferred investment decisions, thereby impacting economic competitiveness across the province;

AND WHEREAS municipal governments, particularly in rural and small-urban communities, rely on a stable and updated assessment system to address financial pressures including inflation, rising labour costs, and increasing service demands;

NOW THEREFORE BE IT RESOLVED that the EOWC formally requests that the Government of Ontario commit to a clear and prompt return to the property tax reassessment cycle;

AND BE IT FURTHER RESOLVED THAT the Province provide a defined timeline and transparent plan for implementing future reassessments on a regular and predictable basis;

AND BE IT FURTHER RESOLVED THAT the Government of Ontario work in coordination with the Municipal Property Assessment Corporation (MPAC) to ensure properties are reassessed in an accurate and timely manner;

AND BE IT FURTHER RESOLVED THAT a copy of this resolution be circulated to the Honourable Doug Ford, Premier of Ontario; the Honourable Peter Bethlenfalvy, Minister of Finance; EOWC Members of Provincial Parliament; the Association of Municipalities of Ontario; the Rural Ontario Municipal Association; the Municipal Property Assessment Corporation; the Ontario Big City Mayors; the Western Ontario Wardens' Caucus; the Mayors and Regional Chairs of Ontario; the Federation of Northern Ontario Municipalities; and all EOWC municipalities."

Support for Sustainable Provincial Grant Funding for Fire Services in Ontario

WHEREAS Municipal fire services in Ontario operate under legislative authority established by the province through statutes, regulations, codes, and prescribed standards governing training, equipment, certification, inspection, and operational requirements;

AND WHEREAS municipalities are responsible for implementing and maintaining compliance with these provincially mandated requirements primarily through local property taxation;

AND WHEREAS current provincial fire service grant programs are available to both full-time and volunteer fire departments across Ontario and are distributed through competitive application processes that may not fully reflect the differing financial and administrative capacities of urban and rural municipalities, highlighting the need for a more balanced approach to funding that supports all fire services equitably;

AND WHEREAS volunteer firefighters represent approximately **70–75% of firefighters in Ontario**, protecting the majority of communities across the province and, particularly in rural areas, are frequently **the first emergency responders to arrive on scene ahead of other emergency services**;

AND WHEREAS other provincially regulated emergency services, including policing and paramedic services, receive stable and predictable provincial funding contributions or cost-sharing arrangements;

AND WHEREAS the absence of a comparable and stable funding model for fire services creates a structural imbalance between provincial regulatory authority and municipal financial responsibility;

AND WHEREAS reliance on competitive funding creates budget uncertainty, limits long-term financial planning, and may not reflect the actual operational needs of fire services, contributing to instability, reduced preparedness and the reduction of services within a critical emergency response sector;

AND WHEREAS stable and predictable funding is essential to maintain emergency preparedness, firefighter safety, service sustainability, and equitable protection for residents regardless of municipal size or tax base;

NOW THEREFORE BE IT RESOLVED THAT

The Council of the Town of Plympton-Wyoming respectfully calls upon the Province of Ontario to **transition the current practice of competitive provincial fire service grant programs into a permanent, stable, and predictable non-competitive provincial funding program** that supports municipalities in meeting provincially legislated fire protection requirements;

AND FURTHER THAT this funding be structured to provide equitable and predictable annual support for **operational readiness and training costs associated with volunteer, composite and full-time fire departments across Ontario**;

AND FURTHER THAT the annual value of this funding be reviewed and adjusted to more appropriately reflect the level of provincial funding support currently provided to other provincially regulated emergency services, including policing and paramedic services;

AND FURTHER THAT this resolution be circulated for endorsement to:

- The County of Lambton
- Lambton County Fire Chiefs Association
- All municipalities
- Ontario Association of Fire Chiefs
- Ontario Professional Fire Fighters Association
- Ontario Volunteer Fire Fighters Association
- Association of Municipalities of Ontario
- Rural Ontario Municipal Association

AND FURTHER THAT, upon endorsement, this resolution be submitted to:

- Steve Pinnoneault MPP Lambton-Kent-Middlesex
- Bob Bailey MPP Sarnia-Lambton
- The Honourable Michael Kerzner, Minister of the Solicitor General
- The Honourable Kinga Surma, Minister of Infrastructure
- The Honourable Rob Flack, Minister of Municipal Affairs and Housing
- The Honourable Doug Ford, Premier of Ontario

Carried Defeated Deferred

Good day,

Please find below Resolution No. 115/2026, as passed by Council of the Township of South Stormont on May 27, 2026.

Resolution No.: 115/2026

Moved By: Deputy Mayor Andrew Guindon

Seconded by: Councillor Jennifer MacIsaac

Whereas food insecurity is defined as the inadequate or insecure access to food due to financial constraints, a marker of pervasive material deprivation (poverty), and posing a serious public health problem because of its association with higher rates of numerous diseases and chronic health conditions and a higher risk of early death;

And whereas chronic stressors like disability, precarious work, and/or the cost-of-living crisis, and acute shocks like COVID-19, illness or eviction, make it more difficult to afford life's basic needs and live free from poverty;

And whereas current social assistance rates are woefully inadequate, making it impossible to afford a healthy diet; and

And whereas the Eastern Ontario Health Unit estimates that 1 in 4 households are food insecure;

And whereas over 36% of food bank visitors were children;

And whereas food banks are not funded by the Government of Canada and Government of Ontario;

And whereas Ontario non-profits, including food banks, are collectively experiencing stagnant and declining resources amidst climbing demand, and increased reserve use.

Now therefore be it resolved;

- 1. That Council declare food insecurity an emergency (crisis) in South Stormont; and**
- 2. That Council request the Provincial Government immediately raise social assistance rates to meet life's basic needs; and**
- 3. That Council request the Provincial and Federal Governments act to address the causes of food insecurity by establishing a Guaranteed Liveable Basic Income; and**
- 4. That Council request that the Provincial and Federal Governments include the reduction of food insecurity as a component of all appropriate government policies; and**
- 5. That Council develop a working relationship with Food Banks United and other local food programs to:**
 - o Communicate local needs and resources.**
 - o Advocate on behalf of people experiencing food insecurity at the local government level.**
 - o Strategize solutions to immediate food insecurity needs.**

Corporation of the Municipality of Calvin Council Resolution

Date: May 27, 2026

Request for Provincial Review of CVA-Based Apportionment for Shared Municipal and Provincially Mandated Services

Resolution Number: 2026-173

Moved By: Mayor Gould

Seconded By: Councillor Manson

WHEREAS many provincially mandated services, shared municipal services, and board-imposed levies are apportioned among municipalities using Current Value Assessment (CVA) or weighted assessment formulas; and

WHEREAS CVA-based apportionment formulas are intended to reflect municipal assessment capacity, but often do not adequately account for population, service access, geographic isolation, infrastructure constraints, or the differing realities of small and rural municipalities; and

WHEREAS municipalities with significant industrial assessment, utility corridors, resource infrastructure, protected lands, seasonal properties, or large geographic areas may experience disproportionately high per-resident levy impacts despite limited local services and lower resident incomes; and

WHEREAS some municipalities contribute substantially toward regional services such as long-term care, policing, conservation authorities, social services, and other provincially mandated boards and agencies, while residents may have limited local access to those services due to geography, travel distance, or service availability; and

WHEREAS increasing levy pressures are creating significant financial strain for small and rural municipalities and their residents;

NOW THEREFOR BE IT RESOLVED THAT The Council of the Municipality of Calvin requests that the Province of Ontario, including the Minister of Municipal Affairs and Housing and the Minister of Finance, undertake a review of policies, legislation, and regulations governing the use of Current Value Assessment (CVA) and weighted assessment as the basis for apportioning provincially-mandated levies and shared municipal service costs;

AND THAT the Province consider developing fairer and more balanced apportionment models which may include:

- hybrid formulas incorporating both CVA and population;
- consideration of service access and service availability;
- household count or permanent population metrics;
- ability-to-pay considerations for small and rural municipalities;
- rurality and geographic isolation factors; and
- measures to limit disproportionate per-resident levy impacts on smaller municipalities; and

AND THAT the Province work with the Association of Municipalities of Ontario (AMO), Rural Ontario Municipal Association (ROMA), rural municipalities, municipal service boards, and regional service providers to develop best practices and model apportionment frameworks for shared municipal services and provincially mandated boards;

AND THAT this resolution with the mayor's report attached, be circulated to:

- the Premier of Ontario;
- the Minister of Municipal Affairs and Housing;
- the Minister of Finance;
- The Minister of Rural Affairs
- the Association of Municipalities of Ontario (AMO);
- the Rural Ontario Municipal Association
- local Member of Provincial Parliament;
- all Ontario municipalities;
- and relevant municipal service boards and associations for consideration and support.

RE: Resolution – support Federation of Northern Ontario Municipalities (FONOM) Resolution No.2026-02 - Establishment of a Northern Ontario Policing Grant

Please be advised that at the Township of Larder Lake's Regular Council Meeting held on Tuesday, May 26th, 2026, the following resolution of support was adopted:

Resolution #15, May 26th, 2026

Moved by: Councillor Hull

Seconded by: Councillor Kelly

Carried

BE IT RESOLVED THAT the Council of the Corporation of the Township of Larder Lake supports the resolution from the Federation of Northern Ontario Municipalities (FONOM) regarding the Establishment of a Northern Ontario Policing Grant

WHEREAS Municipalities across Northern Ontario face disproportionately high policing costs due to low population densities, geographic isolation, and limited municipal tax bases;

AND WHEREAS many Northern communities rely on the Ontario Provincial Police (OPP) for policing services, while others operate municipal police services that are also experiencing significant cost pressures;

AND WHEREAS recent increases in policing costs have placed unsustainable pressure on municipal budgets, forcing communities to make difficult decisions between maintaining public safety and funding essential municipal services such as infrastructure, roads, water systems, and recreation facilities;

AND WHEREAS Northern Ontario municipalities provide essential services across a vast geographic region while supporting key sectors of Ontario's economy, including mining, forestry, transportation, and energy;

AND WHEREAS municipalities require predictable and equitable provincial support to ensure policing costs remain sustainable and communities remain safe;

NOW THEREFORE BE IT RESOLVED THAT the Federation of Northern Ontario Municipalities call on the Government of Ontario to establish a \$100 million Northern Ontario Policing Grant, phased in over three years, to support the 157 municipalities across Northern Ontario served by both the Ontario Provincial Police and municipal police services;

AND THAT the grant include a base funding allocation for all municipalities, with additional funding distributed based on population to ensure equitable support across communities of varying sizes;

AND THAT the Province work collaboratively with Northern municipal leaders, including FONOM and NOMA, to design and implement a sustainable funding framework that recognizes the unique economic and geographic realities of Northern Ontario.

BE IT FURTHER RESOLVED THAT a copy of this resolution be forwarded to the Premier of Ontario, the Minister of the Solicitor General, the Minister of Finance, the Minister of Northern Economic Development and Growth, the Association of Municipalities of Ontario (AMO), the Northwestern Ontario Municipal Association (NOMA), and all Northern Ontario Municipalities.

Title: **Modernizing Ontario's Invasive Plants Rules to Protect Taxpayers, Municipal Lands, Agriculture, Natural Heritage and Local Gardens**

Date: June 1, 2026

Moved by: **Councillor J. Brass**

Seconded by: **Councillor C. Garneau**

Item No. 12.3

WHEREAS invasive plants, shrubs, vines, groundcovers, ornamental species, seeds and nursery stock can cause significant damage to municipal infrastructure, roadsides, stormwater systems, parks, trails, natural heritage areas, agricultural lands, woodlots, shorelines, private property and local biodiversity;

AND WHEREAS Ontario municipalities and conservation authorities are estimated to spend approximately \$50.8 million annually managing invasive species, and the average annual cost per Ontario municipality has been estimated at \$218,148, with approximately 80% of expenditures directed toward control and management rather than prevention; (Invasive Species Centre)

AND WHEREAS these costs are ultimately borne by local taxpayers, conservation authorities, property owners, farmers, volunteers and community groups who are often left to manage invasive species after they have already been introduced, sold, planted, escaped cultivation and spread;

AND WHEREAS the Province of Ontario, through the Invasive Species Act, 2015, which allows species to be listed as prohibited or restricted, and which can make it illegal to import, possess, transport, propagate, buy, sell, lease or trade listed invasive species; (Invasive Species Centre)

AND WHEREAS the concern is not with plants that are already clearly prohibited or restricted, but with invasive species and seeds and nursery stock that may

continue to be sold or distributed before modernized provincial rules, public guidance and retail practices have fully caught up with current science and local experience;

AND WHEREAS garden centres, nurseries, landscape suppliers, seed distributors, online retailers, landscapers and residents all have an important role to play in preventing the spread of invasive plants before they become a costly municipal and environmental problem;

AND WHEREAS the Ontario Invasive Plant Council's Grow Me Instead program promotes native and non-invasive alternatives for healthy, diverse and wildlife-friendly gardens, and its updated Southern Ontario guide includes additional invasive plants and alternatives to help residents, gardeners and landscapers make better choices; (Ontario Invasive Plant Council)

AND WHEREAS recent local reporting in Halton Hills has highlighted the importance of choosing native alternatives to invasive garden plants, including through Grow Native Halton and the Ontario Invasive Plant Council's Grow Me Instead resources;

AND WHEREAS the continued sale and distribution of invasive ornamental plants undermine the work of municipalities, conservation authorities, environmental organizations, horticultural societies, local volunteers and residents who are investing time and taxpayer dollars to remove and manage these same species;

AND WHEREAS prevention at the point of sale is more cost-effective, more practical and more respectful of taxpayers than asking municipalities and property owners to pay for removal after invasive species have spread across property lines and municipal boundaries;

AND WHEREAS invasive plants do not recognize municipal boundaries, and effective prevention requires coordinated action by the Province of Ontario, the Government of Canada, municipalities, conservation authorities, Indigenous communities, agricultural organizations, the nursery and landscape sector, retailers, landowners and residents;

NOW THEREFORE BE IT RESOLVED THAT Council for the Town of Halton Hills respectfully request that the Province of Ontario, in consultation with municipalities, AMO, ROMA, conservation authorities, the Ontario Invasive Plant Council, Indigenous communities, agricultural organizations, environmental organizations, horticultural societies, the nursery and landscape sector, garden centres and other relevant stakeholders, undertake a review and modernization of Ontario's invasive plant regulatory framework;

AND FURTHER THAT this review include consideration of expanding and regularly updating the list of prohibited and restricted invasive plant species, including invasive plants, shrubs, vines, groundcovers, ornamental species,

12

seeds and nursery stock that pose a risk to Ontario's natural heritage, agriculture, municipal infrastructure, parks, trails, roadsides, stormwater systems and private property;

AND FURTHER THAT the Province of Ontario be requested to prohibit the sale, distribution, propagation and trade of listed invasive plant species through garden centres, nurseries, landscaping suppliers, online retailers, seed distributors and other commercial pathways;

AND FURTHER THAT the Province of Ontario be requested to develop clear labelling, public education and retailer guidance requirements so that residents, gardeners, landscapers and retailers can easily identify invasive species and choose native or non-invasive alternatives;

AND FURTHER THAT the Province of Ontario be requested to work with the nursery, garden centre and landscape sectors on a practical transition plan that supports compliance, protects small businesses, promotes native and non-invasive alternatives, and prevents invasive plants from continuing to enter communities through ordinary consumer purchases;

AND FURTHER THAT the Government of Canada be requested to review and strengthen, where appropriate, federal import, border, labelling and online sales rules related to invasive plants, seeds and nursery stock entering Canada, so that provincial prevention efforts are not undermined by interprovincial or international trade;

AND FURTHER THAT the Province of Ontario and Government of Canada be requested to support municipalities, conservation authorities and community partners with stronger prevention tools, updated science-based lists, public education materials and funding programs that prioritize prevention over costly long-term control and removal;

AND FURTHER THAT a copy of this resolution be forwarded to the Premier of Ontario, the Ontario Minister of Natural Resources, the Ontario Minister of Agriculture, Food and Agribusiness, the Ontario Minister of Municipal Affairs and Housing, the Ontario Minister of the Environment, Conservation and Parks, the federal Minister of Environment and Climate Change, the federal Minister of Agriculture and Agri-Food, Halton-area MPs and MPPs, the Region of Halton, HRFA, OFA, Conservation Halton, Credit Valley Conservation, Grand River Conservation Authority, AMO, ROMA, FCM, the Ontario Invasive Plant Council, Landscape Ontario, the Canadian Nursery Landscape Association, and all Ontario municipalities for their consideration and support.

Resolution # RC26116	Meeting Order: 5
Moved by: 	Seconded by: 

WHEREAS while these changes have improved opportunities for inclusion and independence, the current system of supports is often delivered across multiple programs and providers and may not fully address the long-term need for integrated living environments that combine housing, supports, and meaningful daily participation; and

WHEREAS there is an increasing need for innovative, sustainable, and inclusive models of care that support independence, dignity, and community integration for adults with developmental disabilities; and

WHEREAS opportunities may exist to explore models that provide safe and supportive living environments for adults with developmental disabilities while also offering structured, voluntary, and supported participation in day-to-day activities that foster a sense of purpose, skill development, and social connection; and

WHEREAS such models, if thoughtfully designed, could complement existing care environments and contribute positively to the overall well-being of both participants and residents; and

WHEREAS the Regional Municipality of York is responsible for a range of human services including housing, community services, and the operation of long-term care homes, and is therefore well-positioned to explore integrated and interdisciplinary approaches to care;

NOW THEREFORE BE IT RESOLVED THAT the Council of The Corporation of the Municipality of Wawa supports the resolution passed by the City of Richmond Hill requesting that the Regional Municipality of York consider exploring innovative models of housing and support for adults with developmental disabilities, including the potential for an "Integrated Living and Participation Model"; and

The Corporation of the Municipality of Wawa

REGULAR COUNCIL MEETING

RESOLUTION

THAT Council supports consideration of opportunities for co-location or partnership with existing regional services, including long-term care and community housing, where appropriate; and

THAT Council supports a model that emphasizes voluntary, supported, and meaningful participation in activities that enhance quality of life, social inclusion, and community engagement, without displacing existing workforce roles; and

THAT Council supports engagement with relevant stakeholders, including developmental service organizations, families, and advocacy groups, in considering such approaches; and

THAT a copy of this resolution be forwarded to the City of Richmond Hill, the Regional Municipality of York, the Association of Municipalities of Ontario, local MPPs, and Ontario municipalities for information.

Please see attached a motion passed unanimously by our Council regarding the need of our health care system.

Resolution No. 133-06-2026

Moved by: D. Orr

Seconded by: G. Williamson

Whereas the Canadian Center for Policy Alternatives (CCPA) has conducted research which unequivocally identifies that Ontario Hospitals are underfunded by the Government of Ontario;

And Whereas the CCPA study, Failure by Design, clearly identifies that smaller and rural hospitals are disproportionately disadvantaged by the underfunding;

And Whereas as a direct result of the underfunding Emergency Department wait times for an initial physician assessment have increased to 4.5 hours in 2024 – 2025 from 2.7 hours in 2020 – 2021;

And Whereas 90 percent of patients spend on average 44 hours in the emergency department waiting to be admitted when further care is required;

And Whereas the Provincial Government increased total health care spending from 7.4 percent of GDP in 2014 to only 7.6 percent of GDP by 2023, which did not keep pace with raising health care costs:

Therefore be it resolved that the Council for the Town of Northeastern Manitoulin and the Islands request that the Province of Ontario provide immediate and sustained funding to improve hospital finances and capacity, which as per the recommendations in the CCPA study, would require an immediate injection of \$3.2 billion supported by annual increases of 6% per year thereafter.

Carried

We would appreciate your support by forwarding your supporting motion on to the Provincial Government.
